

# THINK OF E.B. HORSMAN & SON WHEN BUYING FINE HOME FINISHES

**LIGHTHEADED**  
Obsessed with Light

## BRO LED SERIES

The BRO Series incorporates an integral LED module with certain features and benefits, including CRI options of 80 or 90 CRI, and Olumens ranging from 800 – 2300 lumens.

## XICATO LED SERIES

The XTM Series incorporates an integral Xicato LED engine with advanced color and quality features and benefits, including CRI options of 83 or 98 CRI, and lumens ranging from 700 – 2700 lumens.

A variety of trims and finishes are available with either of the integral LED options.

## FLEXSCAPE INGROUND

Philips Hadco FlexScope Inground LED is designed for optimal low-energy outdoor performance and superior flexibility. This luminaire is perfect for pathways, walls, columns, and foliage.

## FLEXSCAPE ACCENT

Designed for optimal LED performance, it provides professional lighting with countless low-voltage options and easy on-site lighting effect adjustability. The lockable aim is well suited for accenting objects, textures, walls, trees etc.

## FRAMELESS LOUDSPEAKERS

ArchiTech Kevlar In-Ceiling/Wall 2-Way Speakers and 2-Way Single Point Stereo Speakers are an exceptional choice for high performance woofers. Its incredible strength enables low distortion music reproduction, while its lightness provides great detail and musicality. These speakers also feature paintable frameless round or square grilles.

## FIRSTSURGE

Siemens' total home surge protector ensures that today's modern homes filled with smart appliances and electronics are protected. The FirstSurge is designed to let you know when there is something wrong or when they are worn out. It will also notify you if a rare safety hazard exists due to a compromised electrical system neutral to ground bond.

## VERSICHARGE E-CAR CHARGE

The VersiCharge Electric Vehicle Charger is the industry's most flexible and versatile charger through multiple installation configurations, output levels, and wireless communication.

## Recessed Lighting

## Landscape

## Sound

## Energy Management
