

Gocator® LIVE DEMO

YOU'RE INVITED! To an Exclusive Gocator Seminar

IN PARTNERSHIP WITH OUR LOCAL DISTRIBUTOR E.B. HORSMAN & SON!

On October 21st, LMI Technologies will be at E.B. Horsman's Head Office to present Gocator's capabilities to a LIVE audience - and we'd love for you to attend. For your convenience, there will be two sessions to choose from upon registration.

WHEN: Friday October 21st, 2016

SESSIONS: 9:30AM-12PM or 1:00PM-3:30PM

WHERE: E.B. Horsman & Son, 19295 25 Avenue, Surrey, BC

HOW: Register for your preferred time slot by emailing chiggins@ebhorsman.com

HERE'S WHAT YOU CAN EXPECT AT THE EXCLUSIVE GOCATOR SEMINAR

Introduction to LMI Technologies

Technical Review including measurement techniques/product features/capabilities of Gocator 1300/2100/2300/3000 families of sensors

Application Review geared to a range of industries

Gocator Demo Session demonstrating how quickly measurements can be set up with test targets on a LIVE Gocator demo station

"Bring Your Own Part" session where attendees can bring a target object to measure on the Gocator Demo Station. Please note that maximum target size is 125 mm high x 125 mm wide.

Lunch will be Provided Between Sessions
12:00 - 1:00pm

We look forward to seeing you at E.B. Horsman & Son on October 21st!

Kind Regards,

E.B. HORSMAN & SON
