Please include: Name, email, company and which training session you will be attending for all attendees

See you there!

What is Decora Smart?
 Smart Dimmers, Switches and Plug-In Outlets provide safety, comfort and convenience by easily allowing you to control and schedule lights and appliances from your smartphone or tablet. Select models provide optional voice control.

Complimentary snacks and refreshments provided

Attendees will go into a draw to **WIN A SmartThings/Z-Wave Bundle** (pictured above) valued at \$299 and will get **preferred promotional pricing** on all Decora Smart Products!
