

E.B. Horsman & Son
The Electrical Distributor of Choice!

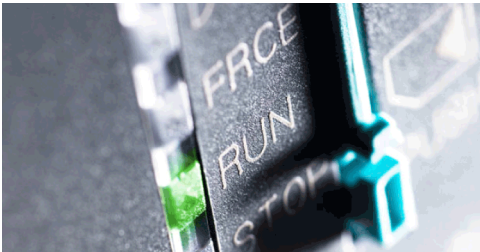

Helping Communities Thrive Since 1900

Product List

Automation and Controls

SIEMENS

Controls – Contactors, overloads, pilot devices, protection relays, starters/soft starters, safety relays, motors, DC power supplies
 Automation – PLC, HMI, VFD, Industrial Ethernet, IPC, Software, SCADA, remote IO

Relay and relay systems, timers

Industrial machine routers, remote connectivity solutions

Industrial field bus conversion, remote networking solutions

Electrical design engineering software

FESTO

Pneumatics, valve banks, air handling, cylinders, e-drives, custom solutions

Industrial enclosures, Climate control, bus systems, data center, custom configurations

Terminal blocks, heavy duty connectors, PCB connectors, DC power supplies, relays, industrial ethernet, signal conditioners

Proximity sensors, fieldbus products, industrial cordsets and connectors, intrinsically safe barriers, industrial Ethernet, remote IO

3D Sensors and Scanners for precision 3D scanning, 3D inspection, 3D modeling and 3D surface metrology

Electrical connectors, electronic connectors, device terminations, network components, cable harnesses

Photoelectric sensors, Vision systems, wireless IO, Machine safety, industrial LED lighting

Operator interfaces, panel meters, signal conversion, data logging, industrial ethernet, HMI

Incremental and absolute encoders for hollow shaft and heavy duty applications

Quick connect cables and connectors, signal distribution
