

SIEMENS
Ingenuity for life

Innovation Tour 2017

Your gateway to automation in the
Digital Enterprise

Join us at the Innovation Tour

This cross-Canada Tour showcases many of the concepts driven by Industry 4.0 requirements where you will have the opportunity to see how the Siemens Digital Enterprise software suite can reduce time to market, increase flexibility, improve quality and boost efficiency.

At the Innovation Tour, you can also view the latest industrial solutions for digitalization, programmable control, human machine interface, motion, communication networks, radio frequency identification, motor control, process instrumentation and services.

Register for the city nearest you at siemens.ca/innovationtour2017

Also join us at the **Mini Fair** where Siemens experts will be available to discuss all aspects of Totally Integrated Automation!

Product Innovations and Services at the Mini Fair:

- General Purpose and Motion Control SINAMICS Drives
- PLC Software
- Controllers, Safety & I/O
- SIRIUS ACT pilot devices
- SIRIUS Motor Control Products
- IO-Link Station
- SIMOGEAR Geared Motor
- Industrial Communication and Identification
- Process Instrumentation
- Siemens Customer Services

Cities & Dates*

Oakville – Jan 18, 2017

Siemens Canada HQ – Oakville
1577 North Service Road East

Oakville – Jan 19, 2017

Siemens Canada HQ – Oakville
1577 North Service Road East

Montreal – Feb 7, 2017

Novotel Montreal
2599 Boulevard Alfred Nobel

Quebec City – Feb 9, 2017

Hilton Quebec City
1100 Boulevard René-Lévesque E

Kitchener – Feb 15, 2017

Holiday Inn
30 Fairway Road South

Windsor – Feb 22, 2017

Ciociaro Club of Windsor
3745 North Talbot Road

Hamilton – Mar 1, 2017

Carmen's
1520 Stone Church Road East

Vaughan – Mar 2, 2017

Bellvue Manor
8083 Jane Street

Edmonton – Apr 6, 2017

Double Tree
16615 109th Avenue North West

Vancouver – May 9, 2017

Executive Airport Plaza Hotel
7311 Westminster Highway

Winnipeg – May 17, 2017

Industrial Technology Centre
78 Innovation Drive, #200

Moncton – Jun 1, 2017

Hampton Inn
700 Mapleton Road

Agenda**

7:00 am–8:00 am	Registration / Breakfast / Mini Fair
8:00 am–8:15 am	On the road to Digital Enterprise Realization Presenter: Udayan Pandya
8:15 am–10:00 am	Automation concepts driven by Industry 4.0 requirements Presenters: Jim Grube, Product Manager and Trevor Sturdevant, Product Manager <ul style="list-style-type: none"> • This session will familiarize you with new automation concepts driven by Industry 4.0 requirements using live demonstrations on: <ul style="list-style-type: none"> – Digital Workflow: Virtual commissioning and Cloud-based engineering – Integrated Engineering: Multiuser and Option handling – Transparent Operation: Energy Suite and OPC UA • Attendees will experience how digitalization can reduce time to market, increase flexibility, improve quality and boost efficiency
10:00 am–10:30 am	Break / Mini Fair
10:30 am–12:15 pm	Automation concepts driven by Industry 4.0 requirements (continued) Presenters: Jim Grube, Product Manager and Trevor Sturdevant, Product Manager
12:15 pm–1:15 pm	Lunch / Mini Fair
1:15 pm–1:35 pm	Factory Automation: New Products and Capabilities Presenters: Trevor Sturdevant, Product Manager and Jim Grube, Product Manager <ul style="list-style-type: none"> • Attendees will preview the latest Automation product updates and get an overview of “Modernization Made Easy” • Take away knowledge of what to use in your next system and how to migrate existing systems
1:35 pm–1:55 pm	Networking and IDENT: Enablers of Digitalization Presenter: Rob Burnside, Product Manager <ul style="list-style-type: none"> • Learn how Industrial communication is the backbone for digitalization and Industrial Identification is the basis for IIoT (Industrial Internet of Things)
1:55 pm–2:15 pm	Accurate and reliable measurement of process parameters using Innovative technology Presenter: Rajesh Singh, Product Manager <ul style="list-style-type: none"> • Reliable Level Measurement using “Sonic & Process Intelligence” • Innovative Coriolis Technology for flow “Small & Compact” • Process safety using Sipart PS2 positioner in Valve Automation
2:15 pm–2:35 pm	Customer Services – A complete portfolio for your service needs Presenter: David Wiik, Motion Control Business Segment Manager, Customer Service <ul style="list-style-type: none"> • An overview of our service portfolio designed to support you with all of your after sales needs, including Phone Support, Product Lifecycle Analysis, Extended Warranty and more
2:35 pm–2:55 pm	Break / Mini Fair
2:55 pm–3:15 pm	SIRIUS Motor Control Presenter: Rami Ghanem, Product Marketing Manager <ul style="list-style-type: none"> • How can you increase your panel efficiency with the latest additions to the SIRIUS motor control portfolio • SIRIUS Motor Control and its connectivity with industry 4.0
3:15 pm–3:35 pm	SINAMICS: Seamless and integrated drives family for every application Presenter: Bimal Shah, Senior Product Manager <ul style="list-style-type: none"> • Under the themes of reduced engineering time, safety integrated, and ease of commissioning, we will present features and benefits of SINAMICS drives to demonstrate the optimum solution for every application • We will also present new products in the SINAMICS portfolio and forthcoming innovations
3:35 pm–4:00 pm	SIMOGEAR: The perfect fit for every drive engineering application Presenters: Nilesh Patel, Geared Motor Segment Manager and Kishor Shah, Business Development Manager, Geared Motor <ul style="list-style-type: none"> • We will present the features and benefits of SIMOGEAR Geared Motors, technical advantages and basics of selection • The session will provide an overview of the design tool Archimedes and configurator
