

E.B. Horsman & Son

The Electrical Distributor of Choice!

FOR IMMEDIATE RELEASE: December 10, 2019

Murray Berlin – New Terrace Branch Manager

Terrace, BC, Canada - We are excited to announce that Murray Berlin has joined the E.B. Horsman & Son team as our new Branch Manager for the Terrace Branch effective December 2, 2019.

Murray comes to EBH with over 35 years of varied industry experience from designing, constructing, commissioning, and starting up many different business processes. He graduated with a degree in Law and earned several different certifications for the electrical and mechanical journeyman trade.

Prior to joining EBH, Murray worked in various roles from being a Senior Power Systems Technician, Automation Manager, and Journeyman Electrician by overseeing a number of different projects across North America and overseas. His experience also comes from running his own business in manufacturing, industrial sales, and contracting. Over the years he had obtained several patents in robotics equipment and continued research and development of equipment in the renewable energy market.

Murray Berlin, Branch Manager Terrace, BC

Murray is excited to join EBH as it allows him the opportunity to reconnect with his family here on the West Coast. During his spare time, he enjoys fishing, exploring the West Coast, and developing and testing the wind and solar equipment.

Murray is very excited to join EBH and is looking forward to starting a new chapter in his career.

Please join us in welcoming Murray to our team!

About E.B. Horsman & Son

Established in 1900, [E.B. Horsman & Son](http://www.ebhorsman.com) is one of the largest independently owned and operated electrical suppliers in North America. Designated as one of [Canada's Best Managed Companies](#), we continuously strive to improve ourselves and our capabilities to meet the ever-changing needs of the full line electrical, process instrumentation, industrial automation, lighting, and data communications markets. We are committed to exceeding the needs and expectations of our valued customers by providing the best people, best products, and best service in the electrical industry.
