“Businesses today are faced with many challenges and must stay focused and agile in order to sustain and drive growth. They need to demonstrate resilience and commitment to their people, their purpose and their competitive position in the Canadian business world – and this year’s Best Managed winners are doing just that,” said Kari Lockhart, Partner, Deloitte Private and Co-Leader of the Canada’s Best Managed Companies program. “These companies can celebrate their accomplishments today, and should be excited for tomorrow.”

This year’s winners of the Canada’s Best Managed Companies award will be honoured at the annual Canada’s Best Managed Companies gala in Toronto on April 1, 2020. On the same date, the Best Managed symposium will address leading-edge business issues that are key to the success of today’s business leaders.

The Best Managed program is sponsored by Deloitte Private, CIBC, Canadian Business, Smith School of Business, and TMX Group.

“It is a pleasure to recognize Canada’s Best Managed Platinum companies, who have consistently raised the bar on what it means to succeed today and in the future,” said Dino Medves, Senior Vice-President and Head, CIBC Commercial Banking. “They set the highest of standards when it comes to best-in-class customer service, a highly engaged and diverse workforce and being able to give back to the communities in which they live and work.”
